PRODUCT DATA SHEET
Heavy Duty Plastic Pallet 1208 (120X80X15) Injection Molding

Issue Date : 9-March-2019

Issue No.: 01

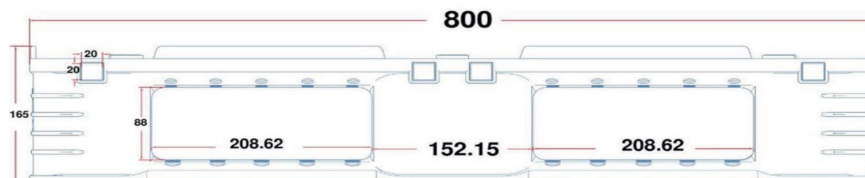

Code : RP - 03

Item	Heavy duty Pallet 120x80x15
Material	Virgin PP Recycled HDPE / PP
Unit weight	15kg \pm 1kg (without steel) 19.8kg \pm 1kg (with steel)
Type	Prime / Standard
Quantity	1 Piece
Accessories used	Round stopper, Rectangular stopper
Lips for load security	8
Steel Inforced	4

Dimensions in "mm" (Not to Scale)

Steel Inforced	Without 4 steel	With 4 Steel
Static loading (KG)	5000	6000
Dynamic Loading (KG)	2000	2500
Racking loading (KG)	800	1300

PRODUCT DATA SHEET
Plastic Pallet 1210 (120X100X15) - Injection Molding

Issue Date : 01-July-2019

Issue No.: 01

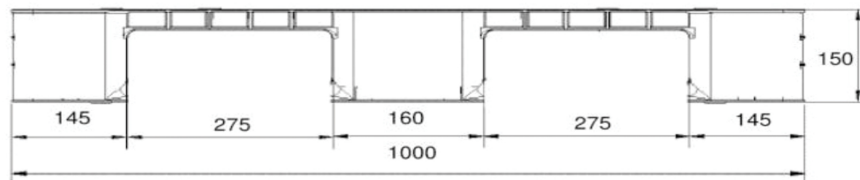

Code : RP - 06

Item	Plastic Pallet 120x100x15
Material	Virgin Unbreakable PP Recycled HDPE/PP
Unit weight	14.kg ± 1kg
Type	Prime / Standard
Quantity	1 Piece
Accessories used	Round stopper, Rectangular stopper

Dimensions in "mm" (Not to Scale)

Static loading (KG)	4000
Dynamic Loading (KG)	1500
Racking loading (KG)	NA

SMALL AND MEDIUM CAPACITY WATER RACKS

- Display – Storage Racks (Double Horizontal)
- Display – Storage Racks (Single Vertical)
- Home – Office Racks
- Multi Purpose Racks

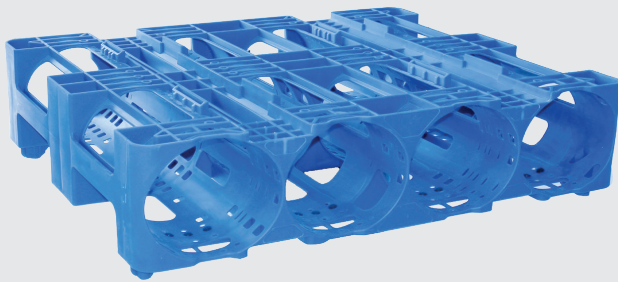

WATER STANDS

32 | 40 | 48 | 56 BOTTLES

ALMUNIF PACKAGING CO. our new products

Water Rack: 5 gallon

Vegetable Crate: 200 Litre

One Way Pallet: 120x80x150

Product data sheet

PALLET BOX

Industrial Heavy-Duty Pallet BOX 100x100x35 @ 200 Liter.

Perfect for food and fruits supply chain from frig or farm to processing or storing. Available in three different designs: A- highly ventilated. B- Medium ventilated. C- completely close without any ventil. This three-design suitable for all type and size of products from dates to watermelon and for storing liquid as well. also suitable for all types of loads and stackable with static load of more than 4 ton. .

Technical Data

Materials	Measures	Volume (Liter)	Static (ton)	Dynamic (ton)	Rack (ton)
PP / HDPE	100*100*35	200	4	1.8	1.2

Product data sheet

Universal 3 - ULTRA

Industrial pallet 120x100x15 @ 3Skids

Super heavy duty Industrial pallet of standard dimensions ideal for reuse applications.
Suitable for moderate loads in all types of all kinds of uses and sectors.
Compatible with all standard handling equipment and steel tube insertions to highly boosting the racking load up with lower deflection.

Technical Data

Universal 3 - ULTRA		load (Kg) - With Stee Tube			load (Kg) - Without Stee Tube		
Materials	Measures	Static	Dynamic	Rack	Static	Dynamic	Rack
PP / PPR	120X100X16	7500	3800	2800	6000	1800	1500

Product data sheet

Universal 5 - ULTRA

Industrial pallet 120x100x15 @ 5 Skids

Super heavy duty Industrial pallet of standard dimensions ideal for reuse applications.
Suitable for moderate loads in all types of all kinds of uses and sectors.
Compatible with all standard handling equipment and steel tube insertions to highly boosting the racking load up with lower deflection.

Technical Data

Universal 5 - ULTRA		load (Kg) - With Stee Tube			load (Kg) - Without Stee Tube
